*In Dialogue with the Bride of Christ*

## **Week 5: Presbyterian (with David Sherbino)**

Presbyterians/Reformed/Calvinists believe  
“T.U.L.I.P.”

### **Total Depravity**

People are born so corrupted by sin that they are unable to respond to God in faith without him first regenerating their hearts to new life.

### **Unconditional Election**

God chooses who will be saved (and unsaved) based on his own love, not their merit or faith.

### **Limited Atonement**

Jesus died for the sins of the elect only.

### **Irresistible Grace**

When God convicts and calls us, we cannot resist his will.

### **Perseverance of the Saints**

Once saved, we will endure and will not fall from grace or lose our salvation. Those who appear to fall away from faith were never saved.

**My sheep listen to my voice; I know them and they follow me.  
I give to them eternal life and they shall never perish; no one  
can snatch them out of my hand.**

**~ Jesus**
